

The Seventh International Conference on Transportation Infrastructure and Materials (TIM 2024)

June 14-16, 2024 Chongqing, China

Introduction

The International Conference on Transportation Infrastructure and Materials (TIM) is an international academic event in the field of transportation infrastructure and materials initiated by the International Association of Chinese Infrastructure Professionals (IACIP). Since the TIM conference was first held in 2016, it has received wide attention from all over the world for their strong academic atmosphere and cutting-edge topics. The former six TIM conferences were held at Chang'an University, Qingdao University of Technology, Hebei University of Technology, Shandong University & Shandong Jiaotong University, Changsha University of Science and Technology, and Beijing University of Civil Engineering and Architecture, respectively. The TIM conferences have been supported by many renowned academic organizations at home and abroad, such as China Highway and

Transportation Society, American Society of Civil Engineering, Transportation Research Board, ASTM International, etc. The Seventh International Conference on Transportation Infrastructure and Materials (TIM 2024) will be held at Chongqing Jiaotong University on June 14-16, 2024 in Chongqing, China.

Conference Themes

Environmental Sustainability and Transportation Intelligence

Conference Topics

The topics include but are not limited to:

- Digitalization and Intelligent Construction of Transportation Infrastructure
- Intelligent Detection and Evaluation of Transportation Infrastructure
- Transportation Infrastructure Resilience and Disaster Prevention & Mitigation
- Intelligent Operation & Maintenance and Asset Management of Transportation Infrastructure
- Road Material Recycling and Solid Waste Utilization
- Durability and Health Monitoring of Bridges and Tunnels
- Green, Low-Carbon and Functional Pavements
- Sustainable Development of Transportation Infrastructure

Co-Organizers

Chongqing Jiaotong University

International Association of Chinese Infrastructure Professionals

Co-Hosts

National & Local Joint Engineering Research Center of Transportation and Civil Engineering Materials

State Key Laboratory of Mountain Bridge and Tunnel Engineering

Supporting Organizations

Journal of Highway Engineering

(To be updated)

Conference Co-Chairs

Yuanming Lai, Academician of the Chinese Academy of Sciences, President of Chongqing Jiaotong University

Jenny Liu, President of IACIP and James A. Heidman Professor, Missouri University of Science and Technology, USA

International Advisory Board Co-Chairs

Boming Tang, Professor, Chongqing Jiaotong University, China

Zhanping You, Professor, Michigan Technological University, USA

Technical Committee Co-Chairs

Jianting Zhou, Changjiang Scholar Distinguished Professor, Vice President of Chongqing Jiaotong University, China

Hao Wang, Immediate Past President of IACIP and Professor, Rutgers University, USA

Organization Committee Co-Chairs

Hongzhou Zhu, Professor, Chongqing Jiaotong University, China

Lu Gao, Vice President of IACIP and Associate Professor, University of Houston, USA

Dates and Venue

Dates: June 14-16, 2024

Venue: Chongqing, China

Important Dates

Deadline for Submitting Extended Abstract: March 31, 2024

Announcement of Extended Abstract Acceptance: April 30, 2024

Sponsorship

We sincerely invite relevant participants for supporting and displaying.

Journals

- ASCE Journal of Materials in Civil Engineering
- ASCE Journal of Transportation Engineering Part B: Pavements

- Cleaner Materials
- Transportation Geotechnics
- Journal of Traffic and Transportation Engineering (English Edition)
- China Journal of Highway and Transport
- Journal of Chongqing Jiaotong University
- Highway Engineering
