

## **IACIP 2024 Online Workshop INVITATION FOR PARTICIPATION & CALL FOR PRESENTATION**

Dear Members and Friends of IACIP:

On behalf of the International Association of Chinese Infrastructure Professionals (IACIP), we are delighted to announce that we will be hosting an online workshop on ***Emerging Technologies in Civil Infrastructure and Systems*** in 2024. The organizing committee cordially invites you to join us for this workshop, which consists of two sessions: one for students and one for professionals. The tentative workshop schedule for the online event is as follows:

### **Student Session:**

US Central Time: 8:00 AM - 12:00 PM on Sunday, January 21, 2024

Beijing Time: 9:00 PM - 1:00 AM on Sunday, January 21, 2024

Central European Time: 2:00 PM - 6:00 PM on Sunday, January 21, 2024

### **Professional Session:**

US Central Time: 8:00 AM - 12:00 PM on Sunday, January 28, 2024

Beijing Time: 9:00 PM - 1:00 AM on Sunday, January 28, 2024

Central European Time: 2:00 PM - 6:00 PM on Sunday, January 28, 2024

### **Platform: Zoom**

We are currently accepting presentation applications for the workshop on civil infrastructure-related topics, with a specific focus on emerging technologies. These technologies include, but not limited to, AI, remote sensing, digital twins, innovative/smart materials, cybersecurity, and robotics, all aimed at addressing challenges in infrastructure systems.

If you are interested in giving a presentation, please submit your presentation title, abstract, and a brief half-page biography to Dr. Pan Lu, the chair of the presentation planning committee, at [pan.lu@ndsu.edu](mailto:pan.lu@ndsu.edu) by December **31, 2023**. In the email subject line, please include your last name followed by "IACIP Online Presentation" (e.g., Smith\_IACIP Online Presentation).

The planning subcommittee will evaluate all the presentation topics based on their relevance, audience interest, and availability of presentation slots. Final selection notice will be sent out no later than January **10, 2024**. Thanks for your attention and we look forward to welcoming you to the workshop!

### **Presentation planning subcommittee:**

Pan Lu (Chair), North Dakota State University

Zhe Han, The University of Texas at Austin

Yilong Liu, Montana Technological University

## **Organizing Committee**

### **Co-Chairs**

Lu Gao, University of Houston, USA

Xiong Zhang, Missouri University of Science and Technology, USA

### **Members**

Junfeng Gao, Chongqing Jiaotong University, China

Fangyuan Gong, Hebei University of Technology, China

Zhe Han, The University of Texas at Austin, USA

Joshua Li, Oklahoma State University, USA

Yilong Liu, Montana Technological University, USA

Pan Lu, North Dakota State University, USA

Xijun Shi, Texas State University, USA

Kuo Tian, George Mason University, USA

Shenghua Wu, University of South Alabama, USA

Hao Wang, Rutgers, The State University of New Jersey, USA

Lei Wang, University of Cincinnati, USA

Hanli Wu, Harbin Institute of Technology, China

Ran Zhang, Beijing University of Civil Engineering and Architecture, China

## **IACIP Board Members**

Jenny Liu, Missouri University of Science and Technology (President)

Hao Wang, Rutgers, The State University of New Jersey (Immediate Past President)

Lu Gao, University of Houston (Vice President)

Baoshan Huang, University of Tennessee

Mingjiang Tao, Worcester Polytechnic Institute

Zhen Leng, Hong Kong Polytechnic University

Shihui Shen, Penn State University, Altoona

Haifang Wen, Washington State University

Shenghua Wu, University of South Alabama

Zhanping You, Michigan Technological University

Xiong Zhang, Missouri University of Science and Technology
