Dear Members and Friends of IACIP:

The *International Association of Chinese Infrastructure Professionals* (IACIP) is organizing its 6<sup>th</sup> Annual Workshop in conjunction with the 95<sup>th</sup> TRB annual conference. The theme of this workshop is “**Asia-US Infrastructure Technology Exchange Forum**”.

The organizing committee cordially invites you to attend the workshop. Below is the tentative workshop schedule:

**Date/Time:** Sunday, January 10, 2016, 8:30 AM to 5:30 PM

**Location:** Walter E. Washington Convention Center, Washington, D.C.  
Hotel/Room: To be announced.

**Workshop Banquet:** Sunday January 10, 2016, 6:30 PM to 9:30 PM

In addition, we are now accepting abstracts for presentation at the workshop. The presentation can be any topic related to transportation infrastructure, but with a focus on technological innovations and advancements. The IACIP workshop intends to serve as a platform for researchers and practitioners to exchange ideas, build connections, and nurture collaborations in response to challenges that arise from various facets of transportation infrastructure. A few distinguished scholars and officials will also be invited to deliver speeches on cutting-edge research in the field.

If you are interested in giving a presentation, please send the title and abstract of your presentation along with a one-page CV of the presenting author to Dr. Xiaojun LI ([xiaojun-li@wsu.edu](mailto:xiaojun-li@wsu.edu)), Dr. Xianming SHI ([xianming.shi@wsu.edu](mailto:xianming.shi@wsu.edu)), and Dr. Xinbao YU ([xinbao@uta.edu](mailto:xinbao@uta.edu)) by **November 20, 2015**. The organizing committee will evaluate all the abstracts received and make selections for the workshop based on relevance of topic, interest to audience, and available time allocation. Final notification of selection will be sent out no later than **November 30, 2015**. Depending upon the number of abstracts received, the selected presentations may be placed either as podium presentation or poster presentation, based on consensus with the author. In addition, another call for student poster and competition is attached.
